Dear Parent/Guardian:

At **Isle of Hope**, we are proud of our teachers and feel they are ready for the coming school year and are prepared to give your child a high-quality education. As a Title I school, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the Georgia Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived.
- What undergraduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

I am happy to report to you that **ALL** of the staff at Isle of Hope meets the standards for "Highly Qualified" as designated by the GAPSC. If you have any questions about your child's assignment to a teacher or paraprofessional, please contact Mrs. T. Wright, Asst. Principal, at 912-395-6555 or email her at Tahisha.Wright@sccpss.com.

Our staff is the best!

Sincerely,

Mrs. Kim Newman
Principal
