

# District Accountability System

## Key Performance Outcome:

College and Career Ready Performance Index  
(CCRPI)

SY 2015-16

Report Date:

March 1, 2017

# Objective, Baseline, & Target

---

**Objective:** To increase the district and schools' college and career readiness score by 3% of the gap between the Base year score and 100 as measured and reported by the Georgia Department of Education.

**Base:** SY 2014-15\*

KPI	Grades K-5	Grades 6-8	Grades 9-12
Base	64.1	61.0	72.5
Target	69.5	66.9	76.6

**Target:** SY 2019-20

---

\*Reflects DAS baseline year; the Georgia Flexibility Options Strategic Waivers School System performance contract will utilize SY 2015-16 as the baseline year

# About the CCRPI

---

- Developed as a key element of the accountability system established under Georgia's NCLB waiver
- Scored on a 100 point scale
- Primary components include Achievement, Progress, and Achievement Gap measures
- Additional “Challenge Points” earned through subgroup performance and Exceeding the Bar indicators
- Significant changes were made to the CCRPI calculation in SY 2014-15; prior years' scores are not comparable

# CCRPI Changes: SY 2015-16

---

**While the SY 2015-16 CCRPI calculation did not undergo revisions of the magnitude that occurred in SY 2014-15, some changes did occur from SY 2014-15 to SY 2015-16.**

**These changes include the following:**

1. Removal of the Georgia High School Writing Test Achievement indicator in grades 9-12 due to elimination of the test
2. Addition of Algebra I and Geometry to the Achievement Content Mastery indicator for math
3. Substitution of End of Course scores for End of Grade for middle grades students who took EOC courses in math and science

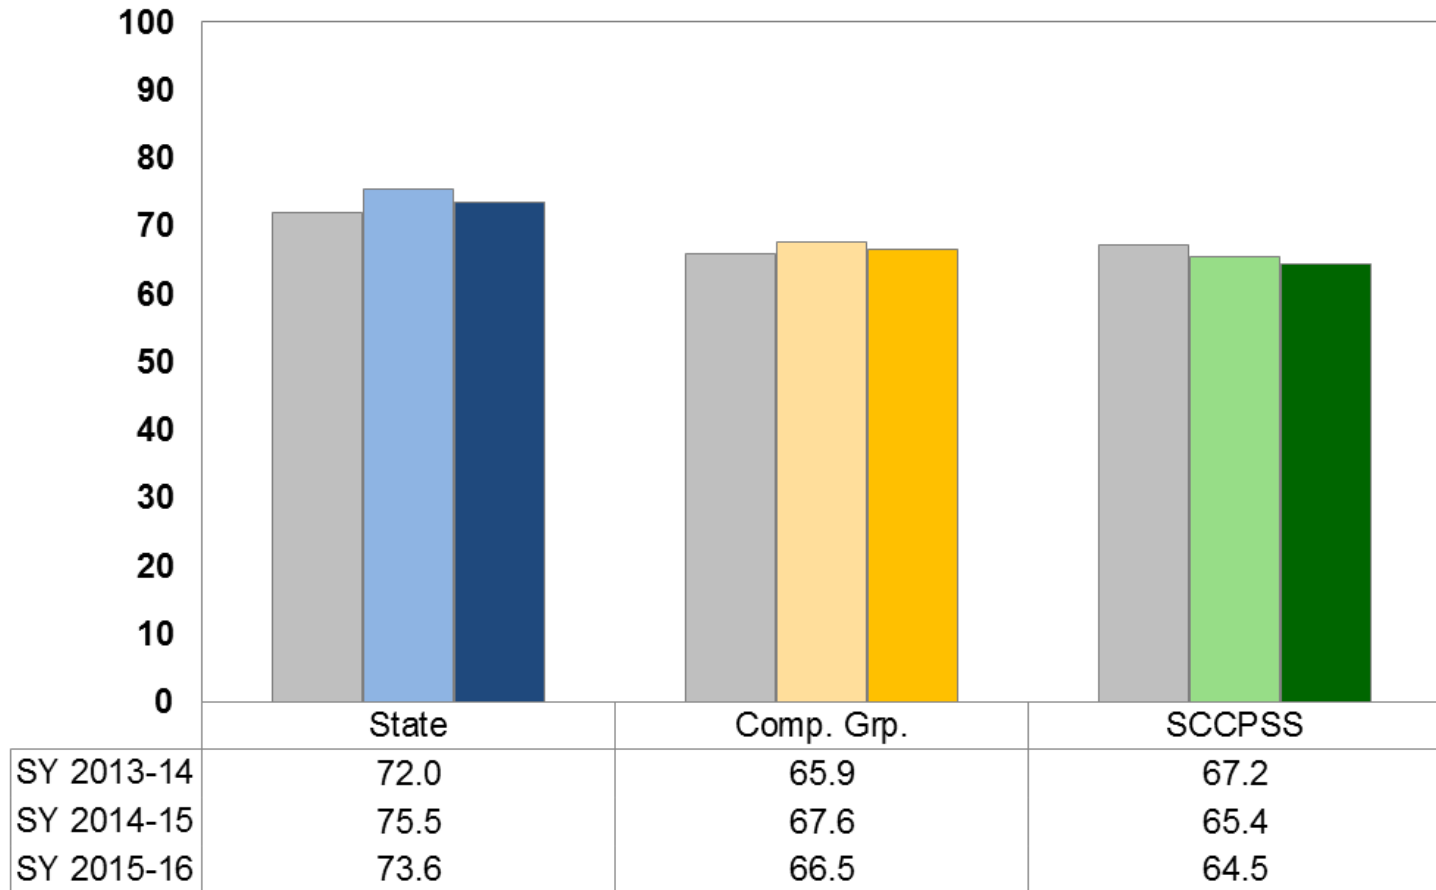

In addition, there was a planned annual increase in the performance targets used to award Challenge Points for Subgroup Performance.

---

# CCRPI Components

Overall CCRPI Score: 100 Points					
Core Components				Challenge Points	
	ACHIEVEMENT	PROGRESS	ACHIEVEMENT GAP	ED / EL / SWD Subgroups	Exceeding the Bar
<b>Description</b>	<u>Content Mastery - 40%</u> Weighted GMAS EOC and EOG scores  <u>Post HS/MS/ES Readiness - 30%</u> Variety of readiness indicators  <u>Grad. Rate / Predictor for Grad. - 30%</u> Cohort graduation rate for HS / % of Proficient or Distinguished GMAS EOG/EOC for ES & MS	% of students making typical/high growth on GMAS (SGP $\geq$ 35)	Difference between bottom quartile and state average OR Average SGP of bottom quartile	% of grad rate & GMAS State Performance Targets met	Variety of indicators worth up to 1/2 point each
<b>Points Possible</b>	50	40	10	max. of 10 combined	

# Overall CCRPI Scores: State, Comparison Group, & District

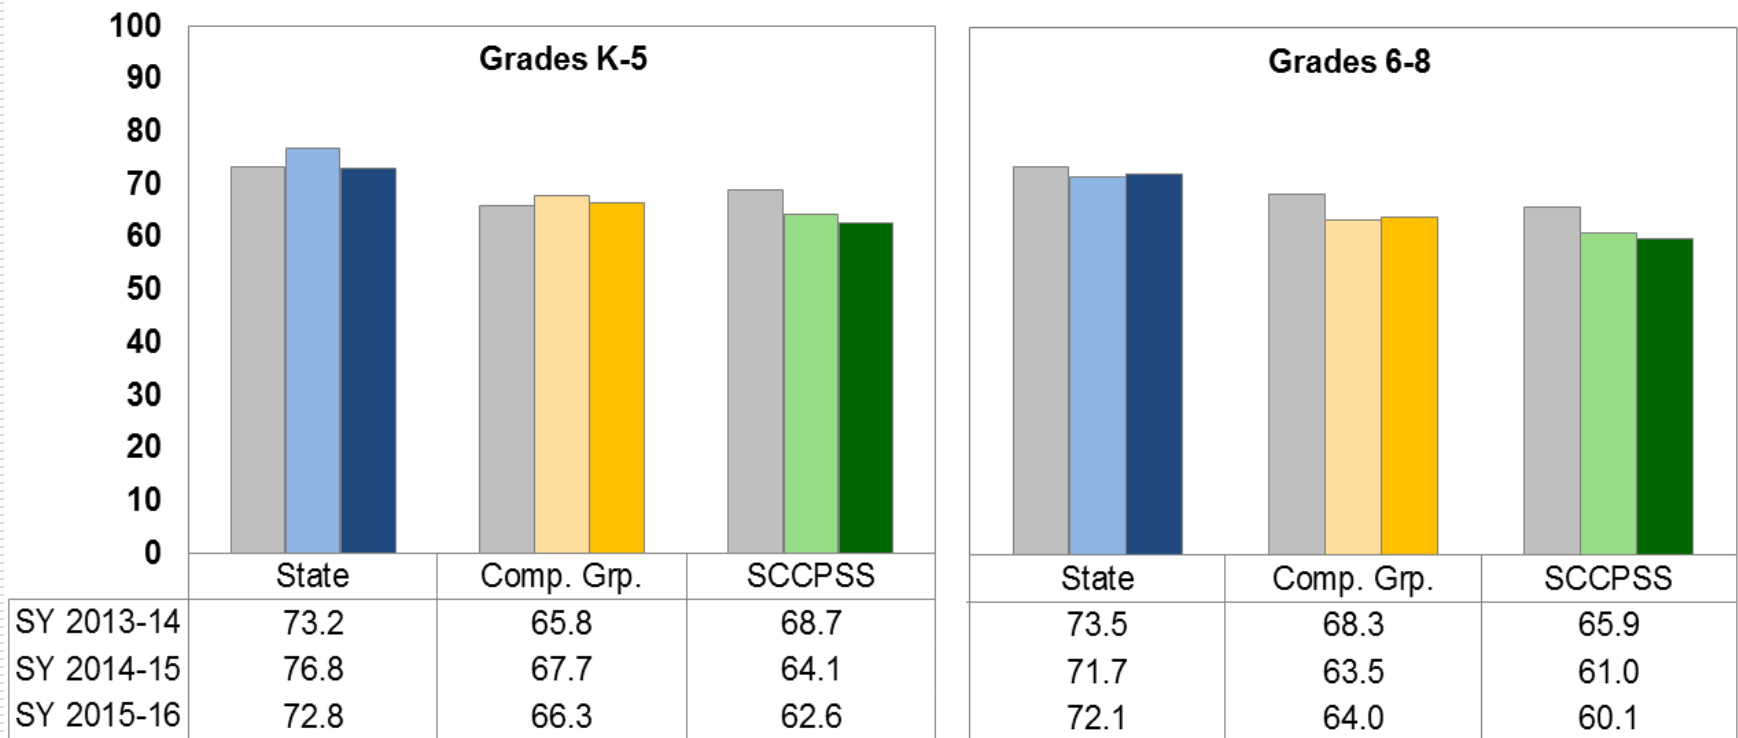

Shading of color represents progression of years

Gray shading indicates score not comparable due to changes in CCRPI calculation

# Overall CCRPI Scores

## Grades K-5 & 6-8:

## State, Comparison Group, & District

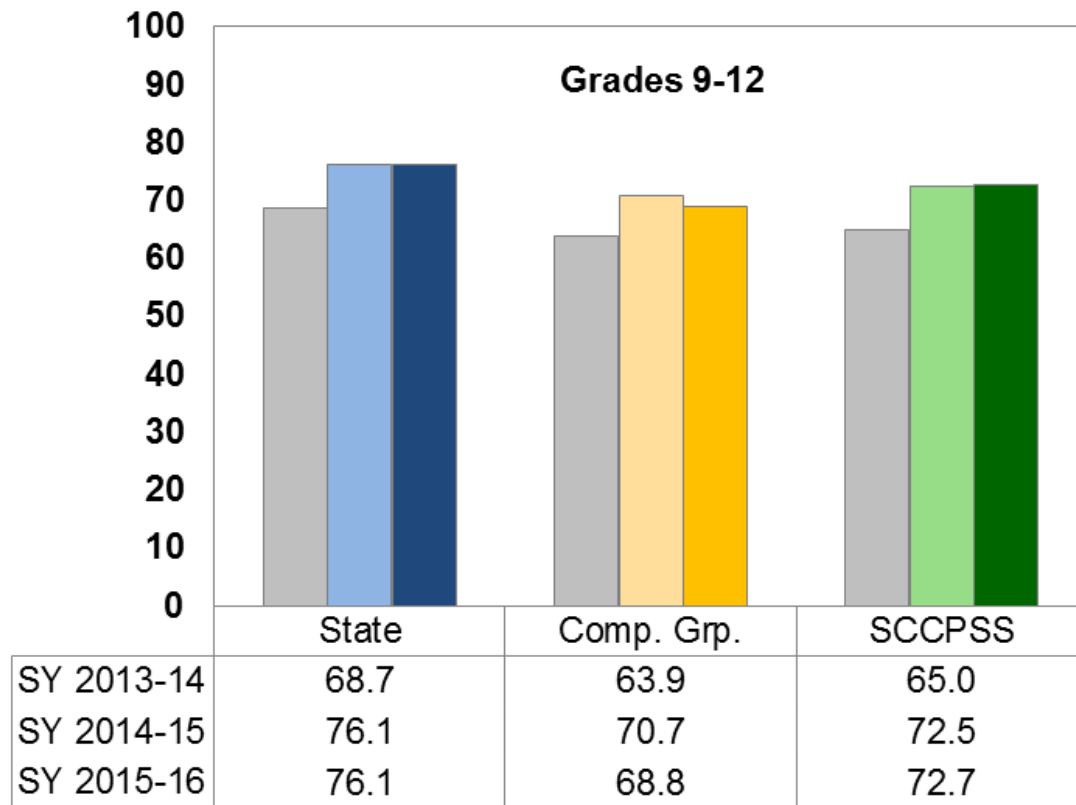

Shading of color represents progression of years

Gray shading indicates score not comparable due to changes in CCRPI calculation

# Overall CCRPI Scores

## Grades 9-12:

## State, Comparison Group, & District

Shading of color represents progression of years

Gray shading indicates score not comparable due to changes in CCRPI calculation

SYSTEM**

# Data Criteria

---

- State and district level data are based on final official CCRPI reports published by the Georgia Department of Education.
- Comparison group data are calculated based on a weighted average of scores compiled from comparison group districts' official CCRPI reports.
- The comparison group was updated in SY 2013-14 to reflect those districts most similar to SCCPSS in size and demographics; this includes Bibb, Clayton, Douglas, Henry, Muscogee, Richmond, and Atlanta Public Schools.
- Annual targets are calculated based on 3% of the difference between the prior year score and 100.
