HOW DO I KNOW WHICH APPLICATION TO SUBMIT?

This New Charter School Application form is for schools seeking *initial* approval from both a local Board of Education (BOE) and the State Board of Education (SBOE).

INTRODUCTION

A charter school application is a legal petition to a local Board (or Boards) of Education and the State Board of Education seeking approval of a charter school contract. Please note that if your new charter school is approved by both your local Board(s) of Education and the State Board of Education, it would be called a locally-approved charter school.

There are two types of locally-approved charter schools – start-up charter schools and conversion charter schools. This New Charter School Application is for both start-ups and conversions.

- A start-up charter school is a brand new school that did not exist before.
- A conversion charter school is an existing public school that becomes a charter school.

The evaluation of your application will focus on whether implementing the proposals in your petition will lead to the academic, organizational, and financial performance you are promising in exchange for broad flexibility from Georgia’s education rule and laws. The evaluation will also determine whether:

- The proposed charter school will comply with all applicable laws, rules, regulations, policies and procedures (including the Charter Schools Act of 1998, as amended [O.C.G.A. §§ 20-2-2060 through 20-2-2071] and State Board of Education Rule 160-4-9-.04 et seq.);
- The academic, organizational, and financial plans are viable; and
- The charter school is in the public interest.

Applicants are strongly encouraged to review all resources available on the GaDOE's Charter Schools Division website prior to drafting and submitting a new charter school application (<http://www.gadoe.org/External-Affairs-and-Policy/Charter-Schools/Pages/default.aspx>), including:

- the standard charter contract template, which is what the State Board of Education will approve; and
- the standard pre-opening checklist, which will be incorporated into the charter contracts for all new charter schools approved by the State Board of Education for the 2016-2017 school year or later.

Please note that charter terms or phrases used in this application are defined in State Board Rule 160-4-9-.04.

Georgia has a commitment to ensuring all children receive quality educational opportunities. For this reason, we prioritize approving schools that focus on serving at risk populations, including students who are economically disadvantaged and/or live in rural communities.

SUBMISSION PROCEDURES

Before the State Board of Education can approve a charter contract for your new locally-approved charter school, your charter application first must be approved by your local Board of Education in accordance with the rules and regulations of that local board. To facilitate the state's review of your locally-approved application, you must submit to GaDOE an exact copy of the application you submit to your local BOE.

GaDOE will review the charter school petition you submitted locally at the same time that your local BOE is reviewing it. If you agree to make changes to your application to obtain local BOE approval, you must also submit to GaDOE a copy of the final version of the application that your local BOE approved. The final version of your locally-approved application is the one GaDOE will share with the State Board of Education when recommending approval or denial of your initial charter contract.

A successful application approval process includes (1) your local BOE's review and approval, (2) GaDOE's review, (3) a panel interview at GaDOE, (4) a recommendation from GaDOE's Charter Schools Division for State Board of Education approval, and (5) SBOE approval.

Please note that, while GaDOE does not have an application deadline, applications are processed and interviews are scheduled by GaDOE on a first-come, first-served basis. This means that you must submit your application early enough to obtain SBOE approval at least six months in advance of your planned school opening. Since it can take up to 4 months to move through the various review processes, please plan accordingly. Submitting to GaDOE your locally-approved application one year in advance of your planned opening date will provide plenty of time to obtain approval.

Please also note that filing a charter school application does not guarantee that a charter contract will be granted. Failure of an applicant to adhere to any requirement may yield a defective application that is rejected before consideration. In addition, complete applications that are not strong enough to guarantee a successful charter school implementation will be recommended for denial.

Submission to GaDOE of the initial application you submitted to your local BOE and, later, of the final version of your application approved by your local BOE, must be by mail, UPS/FedEx, or hand-delivered to: **Georgia Department of Education, Charter Schools Division, 2053 Twin Towers East, 205 Jesse Hill Jr. Drive, SE, Atlanta, Georgia 30334**

Please note that faxed or emailed applications will *not* be accepted as your *formal* submission. Only complete petitions that comply with these guidelines and the technical requirements below will be formally evaluated. Applications will not be returned, so please keep a copy for your records. In addition, please note that all information in applications submitted to GaDOE are subject to the Georgia Open Records Act.

FACILITIES

A charter school's facility is a significant part of implementation. Without a proper facility, the charter school will not be viable. Best practice states that a school's facility costs should not exceed 15% of its total expenditures. In addition, please be aware that all facilities must be approved by the Department's Facilities Services Unit – more information regarding this step can be found on the GaDOE website: [Facilities Process Webinar](#). For this reason, it is imperative that the charter school does not commit to a facility before it has been approved. We encourage new schools that are planning construction or major renovations prior to student admission to consider a planning year to safely complete the construction process. We also strongly encourage obtaining Memorandums of Understanding (MOU) for at least two facility options while charter and facility approval is pending.

45. Describe the school facility that the charter school proposes to use. Include in your description:

- The location of the facility;
- Whether the facility is new or existing; and

- Whether the facility requires any renovations for utilizing the space for educational purposes. If yes, describe the extent of the renovations and the source of funding to pay for the renovations.

46. Does the charter school have an MOU for the purchase or lease of the facility, pending charter and facility approval?

- Yes, we have an MOU and it is provided as **Exhibit 19**.*
- No, we do not have an MOU.

**Note: The MOU should include the total proposed facility cost. It should also set forth any material terms that will be reflected in a lease, such as the lease term.*

47. Does the charter school have a lease for an approved facility?

- Yes, we have a lease and it is provided as **Exhibit 19**.
- No, we do not have a lease, but plan to submit one to the Department by _____ (date).

48. Does the charter school have a Certificate of Occupancy (CO) for the proposed facility?

- Yes, we have a CO and it is provided as **Exhibit 20**.
- No, we do not have a CO, but plan to submit one to the Department by _____ (date).*

**Note: Schools must obtain a CO no later than 45 days before the start of the charter term on July 1.*

49. Does the charter school have an emergency safety plan pursuant to O.C.G.A. § 20-2-1185 for the proposed facility?

- Yes, we have an emergency safety plan and it is provided as **Exhibit 21**.
- No, we do not have an emergency safety plan, but plan to submit one to the Georgia Emergency Management Agency by _____ (date).*

**Note: Schools must submit an emergency safety plan no later than 45 days before the start of the charter term on July 1.*
