## **CONE OF SILENCE REQUIREMENTS:**

A "Cone of Silence" is imposed upon this Request for Qualifications (RFQ), sometimes also called a Request for Proposals (RFP), after advertising, and terminates at the time the Board of Education (the "Board") awards a contract. The Cone of Silence prohibits any communications by written, oral, or electronic form by, or on behalf of, a prospective offeror for this solicitation, including any persons affiliated with or in any way related to a prospective offeror, and any member of the Board of Education, the superintendent or his staff, any persons involved in evaluating the bid, program managers, or members of any selection committee. The Cone of Silence is intended to prohibit lobbying for, or against, a particular vendor or vendors and to prevent prospective offerors from circumventing the process for selection set forth in this invitation to bid.

The Cone of Silence does not apply to oral communications with the Director of Purchasing, or the Director of Purchasing's designees, at pre-proposal conferences, site visits (as applicable), presentations before selection committees, or contract negotiations with offerors selected for award. Written communications expressly authorized by this solicitation, such as (1) the submission of the RFQ packet itself, (2) requests for interpretation, requests for material substitutions, protests, or similar inquiries to the purchasing department, (3) documents circulated at oral presentations before selection committees, or (4) documents circulated in connection with contract negotiations with the offeror(s) selected for award are also permitted in communication with the Director of Purchasing or the Director of Purchasing's designees. The Cone of Silence does not apply to presentations allowed by Board policy or to the Board of Education at a duly called public meeting.

In addition to any other penalties provided by law, violation of the Cone of Silence by any prospective offeror may result in the rejection of the prospective offeror's response and disqualify the prospective offeror from being awarded any contract as a result of this solicitation. Any person having personal knowledge of a violation of these provisions shall immediately report such violations to the District's Purchasing Department.

## **I. GENERAL / INTRODUCTION**

The Board of Public Education for the City of Savannah and the County of Chatham (hereinafter referred to as "the District") is soliciting competitive sealed Statements of Qualifications for Design Professional Services for Beach High School Auditorium Project. ("Statement of Qualifications" may herein be abbreviated "Statement" or "Response" or "Proposal." "Design Professional" is commonly abbreviated as "DP"). Each responding firm (hereinafter each referred to as "the Offeror") must be authorized to do business in the State of Georgia, and experienced in design and construction administration of new K-12 public schools or educational support facilities. Offerors shall meet the terms and conditions set forth in this document and all attachments.

The competitive sealed Statement of Qualifications process stipulated in this RFQ differs from competitive sealed bidding in two important ways:

- It permits negotiation and discussions with competing Offerors, and
- It allows comparative judgmental evaluations to be made on various criteria in addition to cost, for award of a contract.

The advertising date(s) for Request for Qualifications (RFQ) C17-27 are **May 18, 2017 through May 31, 2017 and June 1, 2017 through June 20, 2017.**

Statements of Qualifications should be delivered to the District Purchasing Department, 208 Bull Street, Room 213, Savannah, Georgia, 31401.

**Statements of Qualifications will be accepted ONLY prior to 11:00 A.M. on Tuesday, June 20, 2017.** This deadline for Statements of Qualifications will be extended at least 72 hours, excluding Saturdays, Sundays, and legal holidays, if the District issues any addenda modifying the plans or

specifications for the project within a period of 72 hours, excluding Saturdays, Sundays or legal holidays, prior to the advertised time for opening the Statements of Qualifications. Under such circumstances, it will not be necessary to re-advertise the RFQ. Any addenda released within 72 hours of the advertised time for opening the Statements of Qualifications will be provided to all firms that attend the Mandatory Pre-Proposal Conference.

**A MANDATORY Pre-Proposal Conference will be held on June 6, 2017 at 9:00 A.M. in Room 103 of the Savannah-Chatham County Public School System's Central Offices Facility, located at 208 Bull Street, Savannah, Georgia, 31401. Proposals will not be accepted from any firm that is not represented at the Mandatory Pre-Proposal conference.**

## **II. STANDARD TERMS AND CONDITIONS OF REQUEST FOR QUALIFICATIONS**

This Section includes basic minimum standard requirements established by the District for the performance of DESIGN PROFESSIONAL Services sought by the District. Additionally, this Section includes the basic minimum requirements established by the District for responding properly to this RFQ; any Statement of Qualifications which does not respond in a manner that meets these requirements will be considered non-responsive, and the Offeror will not be considered for award of a Contract.

**PLEASE NOTE THAT IMPORTANT ADDITIONAL REQUIREMENTS ARE STIPULATED IN ATTACHMENTS TO THIS RFQ.**

### **A. Owner Administration of Project**

This stipulation does not seek to describe, establish, or limit administration responsibilities of the Design Professional.

### **B. Receipt & Registration of Statements of Qualifications**

Immediately after the date and time stipulated for receipt of all Statements of Qualifications, all Statements that were delivered in a timely manner will be entered into a register, which will be available for public review. The time of receipt shall be determined by the time stamp in the Purchasing Department. Offerors are responsible for ensuring that their Statement of Qualifications are stamped by Purchasing Department personnel before the deadline indicated. Statements received after the time and date for submittal stipulated herein this RFQ will not be opened, reviewed, or considered.**

**C. Scope of Services**

The Scope of Services to be provided is detailed in Attachment A, "SCOPE OF SERVICES, FORM OF PROPOSAL, SELECTION PROCESS AND FORM OF AGREEMENT" (including exhibits attached thereto).

**D. RFQ Clarifications / Addenda**

If any questions should arise prior to the date and time indicated below pertaining to the RFQ documents, Offeror may deliver, mail, or fax (**no verbal communications or e-mails will be accepted**) a written request for clarification or interpretation to:

Savannah-Chatham County Public School System  
Attention: Director of Purchasing  
208 Bull Street, Room 213

At least one Addendum will be issued, which will include as a minimum a list of all potential Offerors who signed attendance at the mandatory Pre-Proposal Conference. A copy of each Addendum issued will be mailed, emailed (if email address is provided), or faxed to each Offeror attending the Mandatory Pre-Proposal Conference. **All inquiries to which Offerors wish to see responses included in an Addendum must be submitted on or before 5:00 p.m., on Thursday, June 8, 2017.** The District shall not be responsible for any other explanation of questions submitted after this date. The District shall mail, email, fax, or contact Offeror for pickup of any Addenda **prior to seventy-two (72) hours before the solicitation closing.**

The Offeror must acknowledge receipt of all Addenda on the CERTIFICATION FORM (Form 1). **Failure by the Offeror to acknowledge each and every Addendum on the CERTIFICATION FORM will render the Offeror's Statement of Qualifications non-responsive.**

**E. Pricing**

In the event the Offeror wishes to provide additional services above and beyond the stated requirements of this RFQ at "no cost" to the District, these services should be identified and included in the RFQ response. Pricing information is not to be included as a part of the Statement of Qualifications. The District has established a Compensation Schedule for Architectural Services (Board Policy FGC-E(2)), based on the Stated Cost Limitation (SCL) of the project. The District reserves the right to negotiate an appropriate fee for any project. Fees shall not exceed amounts approved by the State Board of Education for capital outlay projects.

**F. Signed Statements of Qualifications Considered Offer**

The signed Statement shall be considered an offer on the part of the Offeror, and shall be deemed accepted upon approval by the District. In case of a default on the part of the Offeror after such acceptance, the District may take such action as it deems appropriate, including legal action for damages or lack of required performance.

**G. Non-Response by Prospective Offerors**

If a Statement of Qualifications is not to be submitted, but Offeror wishes to remain on the District's list of potential providers, Offeror should complete and return the CERTIFICATION FORM (Form 1) and

the LOCAL AND/OR MINORITY / WOMEN BUSINESS ENTERPRISE DEVELOPMENT INFORMATION document (Form 2) found in this packet marked "No Response".

**H. Compliance with Specification / Terms and Conditions**

The Request for Qualifications, Legal Advertisement, General Terms and Conditions, RFQ Submittal Instructions, Special Terms and Conditions, Specifications, Attachments, Offeror's Response, any Addenda, and/or any other pertinent documents form a part of the Offeror's Statement of Qualifications and by reference are made a part hereof.

**I. Communications Regarding Qualifications of Offerors**

All submissions shall be final. Once Statements of Qualifications are submitted, any communication between the Offerors and the District regarding the content of Statements of Qualifications shall take place only at the sole discretion and instigation of the District, and shall occur only in written form.

Verbal clarifications to or discussions regarding any Offeror's submission will be considered by the District ONLY at specified and scheduled oral presentations, for the purpose of:

**J. Errors in Statements of Qualifications**

Offerors are expected to fully inform themselves as to conditions, requirements, and specifications before submitting Statements. Failure to do so will be at the Offeror's own risk. The Offeror may withdraw a Statement of Qualifications prior to the stipulated submittal deadline by requesting to do so in writing; however, this written request must be presented to the District in a manner that is sufficient to make clear that the Offeror seeking to withdraw a Statement of Qualifications is in fact the Offeror indicated on the CERTIFICATION FORM (Form 1) submitted previously as a part of the Statement of Qualifications of which withdrawal is sought.

**K. Public Information**

It is the policy of the District that at the conclusion of the selection process, the contents of all Statement of Qualifications will be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld, but only if clearly listed and identified as such in the Statement. The District shall not be responsible or liable for its failure to protect trade secrets or proprietary information. In the event that no Contract is awarded as the result of this RFQ, all Offerors will be notified. The District will keep all original Statements and will destroy all copies after 30 days, allowing Offerors opportunity to retrieve the copies should they wish. The original Statements will be kept on file in the District Purchasing Department.

In order to protect any Trade Secret information, the offeror must submit an affidavit pursuant to O.C.G.A. § 50-18-72 affirmatively declaring that specific information in the offeror's Statement of Qualifications (Proposal) constitutes a Trade Secret pursuant to the Georgia Trade Secrets Act, O.C.G.A. § 10-1-760 et. seq. Offerors shall not mark sections of their Statement of Qualifications (Proposal) as "Trade Secret" that do not meet the requirements of O.C.G.A. § 10-1-760 et. seq. Offerors shall not mark sections of their Statement of Qualifications (Proposal) as "Proprietary Information" if they are to be part of the award of the contract and are of a "material" nature. All information submitted as "Trade Secret" or "Proprietary Information" should be submitted in a separate envelope with the appropriate envelope and so indicated and shall include the affidavit

required by the Open Records Act **O.C.G.A. § 50-18-72(34)**. If challenged, the Offeror who submits the "Trade Secret" or "Proprietary Information" will bear all costs associated with their position.

**Offerors should be advised that even information marked as "Trade Secret" or "Proprietary Information" may still be publically disclosed by court order. See O.C.G.A. § 50-18-72.**

**L. Offeror's Essential Credentials and Business Structure**

The District WILL NOT enter into an agreement with more than one legal business entity. Additionally, if two or more projects have not been previously undertaken and successfully completed by a PJV Offeror, each party to the PJV responding to this RFQ must submit complete but separate Statements of Qualifications, with each separate Statement making clear that it is a part of a PJV Offer. **R. Development of Local and Minority / Woman Business Enterprises.**

It is the policy of the Board of Education to maximize the utilization of qualified local, minority, and women owned business enterprises ("LMWBEs") who provide professional services or who serve as prime contractors, subcontractors or suppliers as a part of the District's facilities construction, maintenance and repair programs. Prime contractors on district construction projects shall make and document good faith efforts to maximize the utilization of qualified LMWBEs as subcontractors and suppliers and provide proof of such efforts and contracts with and payments made to LMWBEs upon request. The Board also promotes capacity building within the local construction community and encourages the use of partnerships, teaming and mentorships to provide LMWBEs with relevant and necessary experiences to grow their business.

For the purposes of this policy, good faith efforts may include, but not be limited to, the following:

- Attend pre-solicitation meetings to inform LMWBEs of subcontracting opportunities.
- Advertise in general circulation media, trade association publications, and minority and women business enterprise media to provide notice of subcontracting opportunities.
- Communicate with the City of Savannah's Office of Economic Development to identify available and qualified LMWBE firms.
- Review the District's list of vendors indicating an interest in providing services to the District.
- Select portions of work for subcontracting in areas with established availability of LMWBE subcontractors.
- Solicit and negotiate with available and qualified LMWBEs for specific subcontracting opportunities.
- Assign substantive work to LMWBEs or LMWBE teaming partners.

For the purposes of this policy, a local business enterprise is defined as (1) having established a regular, physical place of business other than a job site office with at least one employee within the geographical boundaries of the Savannah, Georgia Metropolitan Statistical Area (MSA) prior to the closing date on the solicitation (a post office box address will not satisfy this requirement); (2) having a current Business Tax Certificate and other licenses, certificates, or permits required by law to operate a business in that location; and (3) performing a commercially useful function within the local office.

For the purposes of this policy, a Minority Business Enterprise is an independent, continuing venture that is at least 51% owned by a minority person or persons that meets the criteria for a Disadvantaged Business. A Disadvantaged Business is a small business which is owned, controlled and managed on a daily basis by a majority or persons, not limited to members of minority groups, who have been deprived of the opportunity to develop and maintain a competitive position in the economy because of social disadvantage. 2. Hispanic American: A person with origins from Mexico, South America, Central America or the Caribbean Basin, regardless of race; and
3. Asian American: A person with origins from the Indian subcontinent, countries of the Asian Pacific region, and surrounding countries; and
4. American Indian: A person with origins from the indigenous people of North America.

To qualify as an LMWBE, the owner must be a citizen or lawful permanent resident of the United States, be involved in daily business operations, and provide a commercially useful function. The ownership interest must be real and continuous and not created solely to meet the local/minority/women business or local/minority/women contractor good faith efforts.

SCCPSS shall, through their program management and construction management providers, engage in efforts to communicate opportunities afforded by the District's facilities construction, maintenance and repair programs to LMWBEs, including but not limited to:

- Communicate opportunities associated with SCCPSS facilities construction, maintenance and repair programs to the citizens of Chatham County.
- Work with other local governments and relevant community organizations to provide technical assistance and guidance to LMWBEs;
- Develop strategies to assist prime contractors in maximizing their utilization of LMWBEs;
- Develop and provide informational sessions to educate LMWBEs in the requirements of the District's procurement process;
- Provide notices as outlined above and maintain a list of vendors who have provided or are interested in providing services to the SCCPSS, as outlined above.

SCCPSS may, from time to time, audit vendor contracts with and payments to LWMBE contractors and subcontractors and may require that proof of such contracts and payments be provided to the SCCPSS.

The District reserves the right to not award a contract to any Offeror, to cancel this RFQ (RFP), and re-advertise the project using a similar or different competitive process at any time before the Board of Education votes to award the contract as a result of this RFQ (RFP).

A contract, if any is awarded, will be awarded by means of the process described in this paragraph and in Attachment A - SCOPE OF SERVICES, FORM OF PROPOSAL, SELECTION PROCESS AND FORM OF AGREEMENT (including exhibits attached thereto).

Statements (Proposals) received after the time and date for submittal stipulated herein this RFQ will not be opened, reviewed, or considered. Proposed services, cost, and other factors, including those stipulated above in Article Q, must be met to the satisfaction of the District in order for a Statement to be considered responsive.

The Selection Committee will receive and evaluate all Statements of Qualifications submitted in response to this RFQ using the Initial Screening Criteria set forth in Section 8.0 of Attachment A. After evaluating Offerors using this criteria, the Selection Committee will create a short list of at least three (3) Offerors found to be reasonably susceptible of being selected for award. These short-listed Offerors may receive a Request for Project Proposal containing additional project information and instructions. The short-listed Offerors will also be assigned an interview time with the Selection Committee. All Offerors not selected for interviews will be so informed in writing.

Each short-listed Offeror will provide the Selection Committee with its Response to the Request for Project Proposal at the time required by the District which will be prior to its interview with the Selection Committee. None of the short-listed Offeror's responses to the Request for Project Proposal should contain a Fee Proposal. Sealed Fee Proposals should be submitted separately at the conclusion of each interview.

After interviewing the short-listed Offerors and reviewing their Responses to the District's Request for Project Proposal, the Selection Committee will re-evaluate the short-listed Offerors using the criteria set forth in Section 10.0 of Attachment A. The most qualified Offerors will be ranked in priority order of desirability and declared to be the Finalist Offerors. All firms interviewed will be informed of the selection in writing.

The District has established a Compensation Schedule for Architectural Services (Board Policy FGC-E(2)), based on the Stated Cost Limitation (SCL) of the project. The District reserves the right to negotiate an appropriate fee for any project. Fees shall not exceed amounts approved by the State Board of Education for capital outlay projects.

Following the interview process, the highest-ranked firm will be asked to meet with the Superintendent or the Superintendent's designee to negotiate a proposed contract for the project, including but not limited to provisions regarding the fee for the project, to be presented to the Board of Education for approval. [A1] In the event that the Superintendent or the Superintendent's designee cannot reach a consensus with respect to a proposed contract with the highest-ranked firm, the second highest-ranked firm will be asked to meet with the Superintendent or designee to finalize a proposed contract. If a proposed contract cannot be reached with the second highest-ranked firm, this process will continue with the next firm on the list until an agreement with respect to a proposed contract is reached.

Once a final proposed contract has been reached between the Superintendent or the Superintendent's designee and the Finalist Offeror, the Finalist Offeror will be presented to the School Board with a recommendation for appointment to the specific project and approval of the contract. The Board of Education has discretion to accept the recommendation or reject it.

**U. Offeror Performance.**

The successful Offerors will be evaluated by the District over the duration of the contract period. Performance will be documented. Poor performance may result in the Offeror being disqualified on future RFQs.

**V. Cancellation / Default of Contract.**

Cancellation or Default of a contract shall be as prescribed in Attachment A, "Scope of Service, Form of Proposal, Selection Process and Form of Agreement."

#### RFQ #C17-27

#### 1.0 **CONE OF SILENCE**<sup>[A2]</sup>

A "Cone of Silence" is imposed upon this Request for Qualifications (RFQ), sometimes also called a Request for Proposals (RFP), after advertising, and terminates at the time the Board of Education (the "Board") awards a contract. The Cone of Silence prohibits any communications by written, oral, or electronic form by, or on behalf of, a prospective offeror for this solicitation, including any persons affiliated with or in any way related to a prospective offeror, and any member of the Board of Education, the superintendent or his staff, any persons involved in evaluating the bid, program managers, or members of any selection committee. The Cone of Silence is intended to prohibit lobbying for, or against, a particular vendor or vendors and to prevent prospective offerors from circumventing the process for selection set forth in this invitation to bid.

The Cone of Silence does not apply to oral communications with the Director of Purchasing, or the Director of Purchasing's designees, at pre-proposal conferences, site visits (as applicable), presentations before selection committees, or contract negotiations with offerors selected for award. Written communications expressly authorized by this solicitation, such as (1) the submission of the RFQ packet itself, (2) requests for interpretation, requests for material substitutions, protests, or similar inquiries to the purchasing department, (3) documents circulated at oral presentations before selection committees, or (4) documents circulated in connection with contract negotiations with the offeror(s) selected for award are also permitted in communication with the Director of Purchasing or the Director of Purchasing's designees. The Cone of Silence does not apply to presentations allowed by Board policy or to the Board of Education at a duly called public meeting.

In addition to any other penalties provided by law, violation of the Cone of Silence by any prospective offeror may result in the rejection of the prospective offeror's response and disqualify the prospective offeror from being awarded any contract as a result of this solicitation. Any person having personal knowledge of a violation of these provisions shall immediately report such violations to the District's Purchasing Department.
