

# HVJ Device Return Plan

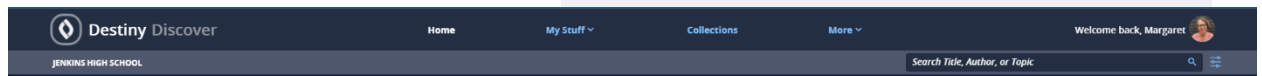

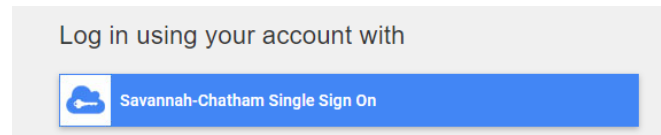

Students will begin returning Chromebooks in May. Seniors will return their chromebooks, powercords and any other items by May 6<sup>th</sup>. Underclassmen devices are due by May 16<sup>th</sup>, but we will begin to collect them beginning May 12<sup>th</sup>. Students will not be allowed to keep their Chromebook past the due date and will not be able to borrow computers during or after this window. Students must return their devices even if they plan to attend summer school. To be cleared, students must return the exact devices checked out to them, and chargers must be returned with Chromebooks. For more details, including how to check what is checked out to you and how to pay for damages, please visit our school website.

## Check to See What's Checked Out

- From ClassLink, Click Destiny.
- Select Jenkins High School.
- Choose Login (in the upper right hand corner).

- Login using your SCCPSS account.
- Click on the “My Stuff” tab in blue at the top.

- Select Checkouts to see which devices and/or books you need to bring back to the Library.
