

Adopt A Wild Friend

Individuals, companies, school classes, and organizations can choose one of our animals to “adopt” for a fee of \$30 per animal. This donation helps pay for food, habitat maintenance, and veterinary care for our animals.

You will receive a certificate with the animal’s picture and a fact sheet about your animal. To Adopt a Wild Friend simply fill out this form and submit it with your payment to the address below.

**Oatland Island Wildlife Center
