WHAT IS THE VADEN BULLDOG CLUB?

All Students in grades K- 5th have 2 goals each week:

1. Each Week, I will compete 45 minutes of I-Ready Lessons in Reading with an average of 80%, so that I can earn a Ticket for the Vaden Bulldog Club prizes.

2. Each Week, I will compete 45 minutes of I-Ready Lessons in math with an average of 80%, so that I can earn a Ticket for the Vaden Bulldog Club prizes.

- If you meet your goals each week, you will earn a ticket for an opportunity to win some amazing prizes!
- So, you have an opportunity to earn one ticket in reading and one in math each week.
- Which means, the more tickets you earn the better your chances are to win.
- Sometimes, the week of May 15 , we will have another assembly to draw names from the tickets to see who wins for each subject in each grade.
- Good Luck, our contest begins on Tuesday, Jan. 16th and runs through Friday, May 12th
